COURSE REVIEWS

\$750

Our trusted, current Golf Course Reviews are one of the most viewed pages on the SaskGolfer.com website and our social media. Travelers and the Saskatchewan golfing community plan their golf trips around many of our visually appealing reviews.

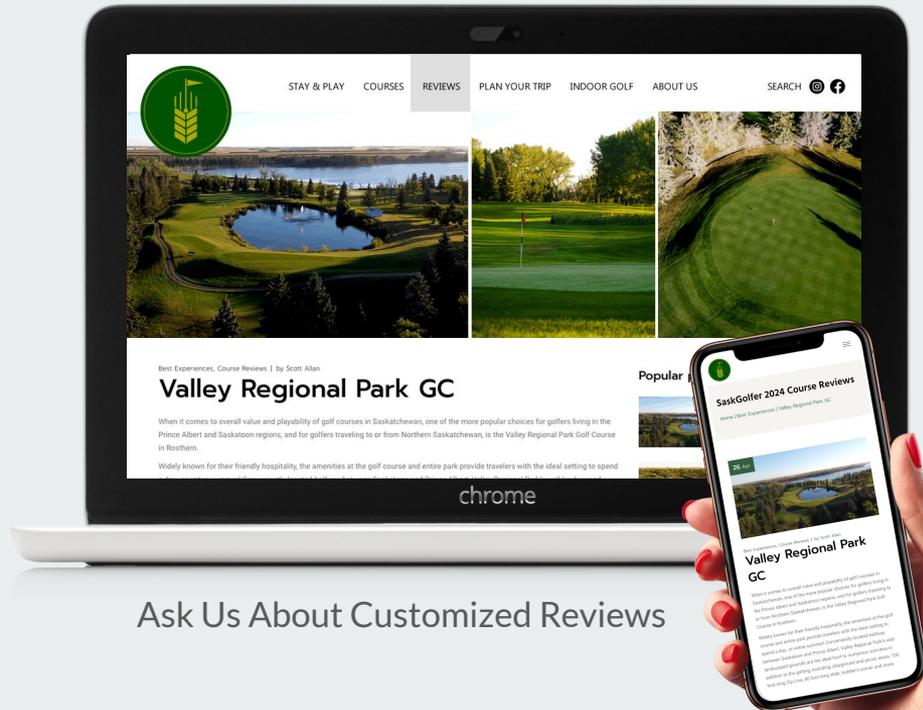

Google ranks this page high for search terms;
“*golf course reviews saskatchewan*”

COURSE REVIEWS includes;

- We visit your golf course for the day, experiencing all your amenities
- **Golf Course Review permanently listed on SaskGolfer.com**
- Dining Review / Accommodation Review option
- Featured “Course of the Week” during season
- Drone Video highlights + Aerial Drone Images
- 2 Social Media Posts
- Course receives original drone video / image files for their use

All Course Reviews get posted on SaskGolfer Instagram, where they receive valuable additional exposure, with many reviews getting in excess of 4,000 views.

DRONE SERVICES, HOLE FLYOVERS

One of the best ways to promote your golf course and elevate your marketing is to capture your golf facility from the air. Adding drone videos, hole flyovers and aerial images to your golf course website, social media channels and overall marketing initiatives is highly effective in showcasing your course layout, course conditions and featured holes to the growing golfing community!

View our Golf Course Hole Flyovers;

- Cooke Municipal Golf Course - [HERE](#)
- Dakota Dunes Golf Links - [HERE](#)

WEBSITE DESIGN & DEVELOPMENT

Besides promoting and showcasing Saskatchewan's golf courses and indoor golf facilities through SaskGolfer, we provide Web Design & Development services for the golf industry. With numerous Saskatchewan golf courses as clients, we offer affordable, visually appealing website designs to the golf industry.

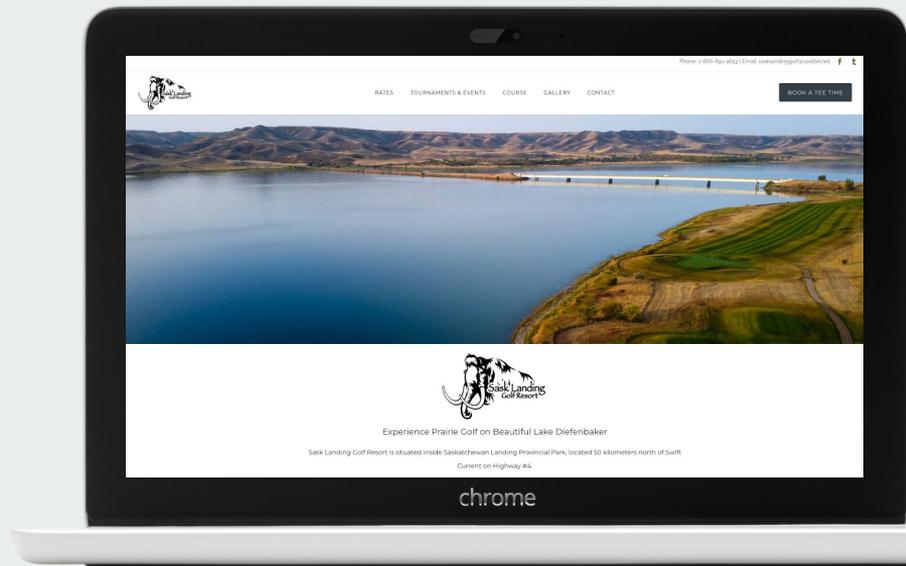

Some of our golf industry clients include;

- **Cooke Municipal Golf Course, Dakota Dunes, Candle Lake Golf Resort, Sask Landing Golf Resort, Evergreen Golf Course, Valley Regional Park GC, Meadow Lake Golf Course, RBC PGA Scramble and more...**

With the increasing popularity of drone video and aerial images, we're proud to offer multiple services for golf courses...check out our "**Facility Bundle**" on page 7 of this slide deck.

QUOTES FROM THE SASKGOLFER COMMUNITY

"As I now reside in the United States, I follow SaskGolfer on their social media platforms as it provides fabulous content on so many levels and it helps me stay connected and informed about the Saskatchewan golf community. Love the drone videos!"

~ Lorelee Windrim / Former Saskatchewan golfer residing in the United States

"Being able to reach out to the Saskatchewan golfing community and tourists through SaskGolfer has noticeably increased our overall green fee play, allowing us to further invest in the growth of Valley Regional Park Golf Course"

~ Conner McGill / Manager, Valley Regional Park, PGA of Canada Professional

"SaskGolfer is a unique way for people to stay informed of what's going on in the world of golf in Saskatchewan. I like the diversity of content ranging from tournament updates to finding some of the many hidden gem courses around the province of Saskatchewan"

~ Justin Wood / Saskatchewan Amateur Champion

QUESTIONS?

Celebrating 25 Years in 2025, the SaskGolfer team has stayed true to our goal of accurately promoting Saskatchewan's Golf Courses, Indoor Golf Facilities and Canadian Golf Industry Businesses.

If you have any questions or comments on how we can assist in marketing your facility or business, please contact us to set up a consultation.

Thanks for your ongoing support.
